

PARENT TIME

Especially for
baby & toddler
parents

“J-E-S-U-S! We love Jesus. He’s the best!” That’s what your child will be hearing this month. Jesus is the BEST. He is. Thousands of years ago, Jesus died for each and every one of us. That means He died for you, too. In the midst of all the fun that revolves around Easter, try to take some time to read the Easter story. I’m not talking about the board book version you read to your child (although that is a good one). I mean opening your Bible to Matthew 26 and reading through Matthew 28. Dive into the Word and read about how much Jesus loves you.

Jesus loves you, He died for you, He came back just like He said He would, AND He wants to be your friend forever. He wants to be your friend and your child’s friend. That’s what we’re celebrating this month. That’s why we’ll be chanting all month long: “J-E-S-U-S! We love Jesus. He’s the best!”

The community at **TheParentCue.org** was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we’re already spending together.

There’s an app for that:

Parent Cue App – centered around a monthly topic, this app sends weekly CUEs that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.
